## DROP EVERYTHING!

Boring.

**Boring!**

**Boring!**

Bean turned her book upside down and tried to read it that way. Cool. Well, sort of cool.

No. Boring.

Bean sighed and turned her book back right side up. It was a book about cats that she had picked from the school library. There was a different cat on each page. Bean liked cats, but reading about them was driving her crazy. All the cats looked the same except the sphynx cat, who didn't have any fur. He looked halfway between a dog and a rat. Bean liked him the best.

I bet Ivy's never seen a sphynx cat, thought Bean. She knew she wasn't supposed to talk during Drop Everything and Read, so she poked Ivy in the ribs.
