檢索介面-  
瀏覽

The screenshot shows the RSC Publishing website interface. At the top, there are navigation tabs for Journals, Books, Alerts, More, and Help. A search bar is present with the text 'Full Text' and 'Enter your search phrase'. Below the navigation, there's a 'RSC Books' section with a description: 'Scientific publisher of biology, biophysics, chemical science, materials, medicinal drug discovery and physics high-impact books and journals.' A 'Browse by Title: New Titles' section features an alphabetical index (A-Z) and a 'Page 1 of 2' indicator. A 'Search Books' section includes another search bar and a 'Browse By' dropdown menu. The 'Browse By' menu is open, showing options like Title, Series, Subject, and Year. The 'Subject' option is selected, displaying a list of 11 subject areas: Analytical, Applied and Industrial, Biomolecular, Environment, Food, General, General Chemistry, Inorganic, Materials and Polymers, Nanoscience, Organic, and Physical. The 'Year' option is also visible, showing a list of years from 1968 to 2013. A green callout box highlights the alphabetical index and the 'Browse By' menu, stating: '可依照書名字母順序(最新出版或全部書目)、叢書系列、主題、或出版年份瀏覽。' (You can browse by book title order (latest published or all titles), book series, subject, or publication year.) Another callout box points to the 'Year' filter, stating: '瀏覽1968至最新出版年份書籍' (Browse books published from 1968 to the latest year). A third callout box at the bottom indicates: '瀏覽超過65套叢書系列' (Browse over 65 book series).
